LOCINOX

Let's make better fences together

LOCINOX LOCKS
Built to last!

LOCKS - SWING GATES

bolt-on

Locinox locks are the guarantee for a good operating gate. Every lock is tested extensively in order to be sure that our locks will work in all weather conditions.

All the locks have a stainless steel mechanism, fit on left or right handed gates and withstand a 1000h salt spray test - equivalent to 20 years in an external environment.

LA - Standard lock

LM - Mechanical Code lock

LF - Mechanical Code lock Free Exit

LA - Ornamental lock

LE - Electric lock

Build the order reference for your preferred Locinox bolt-on lock using our **CODE BUILDER**, included in this brochure.

KEEPS - SWING GATES
