

Simulated Stone Wall

SimTek Fence has reinvented fence manufacturing with its patented design of rotationally-molded fence giving a realistic stone appearance and superior performance. What makes SimTek Fence unique?

Patented Construction - Made with proprietary Linear Low Density Polyethylene Plastic (LLDPE) and is reinforced with galvanized steel.

Superior Wind Rating - Can withstand constant hurricane force winds up to 110 mph and 130 mph gusts.

Excellent Sound Barrier - Blocks 98% of direct sound with a sound transmission class (STC) rating of 26. Durable in Temperature Extremes Withstands tests at -40° to 140° F.

Fade Resistant - Contains Xenon-Arc 12 UV inhibitors for a lifetime of vibrant colors.

Color Options - SimTek is available in an Brown, Beige, Grey, Black, Desert and Black.

Easy Installation - The most user-friendly fence on the market.

Greener Solution - We care about our environment. The SimTek Fence system is made with recycled and recyclable polyethylene plastic.

Graffiti Resistant - Easily remove graffiti using a pressure washer.

Solid Privacy and Security - SimTek provides exceptional privacy and security for you and your family.

Lifetime Warranty on Pro Series & 25 Year on Eco Series - Our fence will never need painting or staining; nor will it warp, fade or crack.

Made in the USA - Proudly made in the United States.
