

# FORTE

Clearly tough  
& secure.

**CLEAR** see-through security

**TOUGH** virtually impossible  
to penetrate or climb

**SECURE** enough for the  
highest levels of protection

Go ahead. Compare Forte with other high-security fencing. You'll find **Forte delivers on every point.**

When you need it strong, virtually impenetrable, made to last and competitively priced, choose Forte's **steel flat or v-braced panels, with optional cross bars and reinforcing brackets for maximum security**, including multi-level and slope installations.

Security Rating: MAXIMUM
