

Vinyl Privacy Fence

- Choose from either 6" T&G, T-11, Wideboard or any of our 10 full privacy fence styles to offer beauty, security and value to your property.
- Colors available in White, Tan, Clay, and Stone and Wood Grain Privacy Styles to give you many options in appearance, quality and price.
- Add an option to accentuate your fence with any of our various Picket, Lattice or Sunburst Accents.
- Commercial fence styles are available to offer extra strength for commercial/ industrial applications.
- Discuss with your fence dealer our many options and which style better fits your needs.
- Try mixing colors for a unique look and decor.

- All 4 colors (left) are carried in stock among our 3 locations to serve you. We carry white, tan (almond), clay and stone. We also carry a textured product called Tru-Grain in the 4 colors. Ask for a color sample from your dealer to insure proper color match BEFORE you order your product! Or mix and match colors and textures for a fence design that matches your unique style!
